CONVENTION REGISTRATION

Wednesday, November 14th

SCORE! NCLEX® Championship Bowl

The 2007 SNAP Board of Directors thought that having a competition at the state convention each year would be a great opportunity for nursing students to participate, while instilling a little good-hearted competition between the various schools of nursing across the state. The first state competition was held at the 2008 Annual Convention.

Teams from across the state will compete Wednesday for the honor of being named champion of the 2018 **SCORE! NCLEX® Challenge Bowl**! Thanks to **Lehigh Valley Health Network**, there will also be a monetary award, along with the beautiful championship silver bowl, which the winning team will keep until next year's event. **Einstein Healthcare Network** is also sponsoring refreshments for the event. Teams will be selected on a "first come, first served" basis. Teams are made up of five participants and one alternate. The preliminary rounds will run from 3:00 p.m. to 5:00 p.m. The championship rounds will begin at 7:00 p.m. **For more information or to register a team from your school, please email snap@snap-online.org.** We will forward the official Championship Bowl registration form, which must be submitted by the deadline in order to have a team compete.

Last year's champion was **Drexel University**! Will they win again or will your chapter become the new champion? Make sure to plan on attending and cheering on your team! It's an exciting and stimulating event for everyone, not just those with their hands on the buzzers!

Thursday, November 15th

SNAP Awards Celebration Reception

New this year, SNAP will be holding an Awards Celebration Reception so that you have an opportunity to take part in the celebration of our association's 66 successful years. Rather than having a sit-down dinner that only a portion of our attendees can take part, this will be a dessert reception with space for 500 people! The celebration will include special recognition of outstanding members, chapters, and advisors. And don't forget to apply for the many awards and scholarships being given to individuals and local chapters. You can find all applications on our website at www.snap-online.org, or feel free to email snap@snap-online.org for the link to any application. This year we are very pleased to announce the following banquet sponsors who support this special event (at the time of publication):

Kaplan Nursing and UPMC PinnacleHealth

We thank them for their generous support of SNAP! Please stop by their booths and get to know all their organizations have to offer you!

Friday, November 16th

SNAP Alumni Networking Session

This is another new opportunity for those attending the SNAP Convention. A group of former SNAP members are forming a new organization—the Alumni Association of SNAP—specifically to support and mentor current SNAP members! They are excited to give back to the organization that enhanced their careers in nursing.

They will be holding their first organizational meeting during the SNAP Convention, and they have set aside time to meet and network with nursing students attending convention. This is an opportunity to learn from them about their particular journey in nursing and help you begin your own path. This event will be held on Friday afternoon from 1:00—3:00 p.m. Be sure to sign up to attend on the RegOnline registration form.

SNAP Welcomes Our Keynote Speaker

Elizabeth Burgess Dowdell, PhD, RN, FAAN *Nurses: Advocates in Action!*

SNAP is very pleased to have Dr. Elizabeth Dowdell serve as our Keynote Speaker for this 66th SNAP Convention! Dr. Dowdell has been a long-time supporter of SNAP as a Professor at the Villanova University M. Louise Fitzpatrick College of Nursing.

Dr. Beth Dowdell, right, with Dean M. Louise Fitzpatrick during Dr. Dowdell's induction into the American Academy of Nursing.

Dr. Dowdell has made significant and sustained contributions as a nursing leader and advocate for vulnerable children. She has contributed more than any other nurse scientist to the knowledge on perilous internet behaviors of youth. Her research has explored the interrelationships among various forms of electronic aggression, including “cyber-bullying” and “sexting”.

The use of social media across the globe is expanding exponentially as the number of social media outlets, applications, and access continue to increase. Along with this growth in connectivity come concerns about child Internet victimization as well as new phenomena associated with technology. She can address how risky online behaviors endanger vulnerable children, how technology affects a child's and family's everyday life and the emergence of new technology-related behaviors like sleep texting.

Her extensive research certainly demonstrates the convention theme “Nurses: Advocates in Action!” Please join us in welcoming Dr. Dowdell to the SNAP Convention this November.

SNAP CHAMPION SPONSOR:

Geisinger

SNAP is very pleased to announce that Geisinger is once again supporting SNAP throughout the year by agreeing to be a CHAMPION Sponsor! We sincerely appreciate their being a partner with us to provide our membership outstanding leadership and networking opportunities.

Please stop by their booth, Booth 1, which is easily found in the front of the other exhibits. **Geisinger is also sponsoring an afternoon refreshment break for all attendees.** The break will be in the exhibit hall close to their table on Thursday afternoon.

Be sure to thank them for their outstanding contributions to our convention & organizational experiences!

Hotel Registration Form
