- **If I plan to run for a position at the convention, do I have to wait until the convention to submit a Consent to Serve Application?**

No, you do not have to wait. You can submit a *Consent to Serve* application form to the Nominations and Elections Committee (NEC) prior to convention via the Jotform Consent to Serve form. If the NEC accepts your application, you will be a pre-slated candidate, if received by the deadline. The *Consent to Serve* application form can be found on the SNAP website: [www.snap-online.org/about-us/nominations-elections-committee-nec](http://www.snap-online.org/about-us/nominations-elections-committee-nec) (the link is under “Nominations and Elections tab) and is due by **OCTOBER 29, 2025**. This document is a JotForm online form. The link is <https://form.jotform.com/snapboard/consent-to-serve-form-2025>. Candidates will be placed on the official ballot in the order in which they are received, both as pre-slated or nominated from the floor of the House of Delegates.

- **Are freshmen allowed to run for a position on the Board of Directors?**

Yes, any nursing student who is a member of NSNA/SNAP may run for a position on the Board of Directors.

- **How will I know the rules and regulations for campaigning?**

The NEC will contact all potential candidates providing them with information regarding the election process. They will be informed of specific due dates for application, how and when to campaign, as well as answer any questions the candidates may have.

- **What is the time commitment required if I am elected to a position?**

Each position on the Board requires dedication and commitment. The NEC is available to describe the commitment involved for each position on an individual basis. Those elected to the SNAP Board of Directors must attend the post-convention board meeting, four additional board meetings held between conventions - usually January (mandatory attendance), March, June and September - and the pre-convention and post-convention board meeting (also mandatory). The NEC must attend the post-convention board meeting, the LEAD Workshop in the spring, the September board meeting and the pre-convention board meeting.

- **Do I have to make a speech?**

Yes, each candidate is required to make a two (2) minute speech during the convention, stating their qualifications, reasons for running for the position, as well as their goals if elected. The presidential candidate speeches are five (5) minutes in length per candidate.

- **Will there be someone to guide and direct me if elected?**

Yes, each elected Board member will receive an orientation by his/her predecessor on the Saturday *following* convention. Additionally, the Executive Director and Consultants are available throughout the year to advise the Board of Directors. All elected Board members and NEC are required to attend the orientation and post-convention meeting on the Saturday after the close of convention

- **Where are the Board of Directors meetings held?**

The meetings are held four times a year in Harrisburg, PA. It is the responsibility of each Board member to secure reliable transportation. Additionally, Board members may miss only one board meeting or scheduled virtual meeting. If a Board member misses a second meeting, it results in immediate dismissal from the Board.

- **Is there anything I need to bring to run?**

**You must bring your NSNA Membership Card with your Membership Number or have picture proof of membership (expiration date included on the membership card).**

**You can print your membership card on the NSNA website:**
